EDUCATION

Bachelor of Engineering, Chennai Institute of Technology
Computer Science and Engineering
CGPA - 8.8

INTERNSHIP EXPERIENCE

MERN Full Stack Intern, Dnyx Academy May 2026 - Jun 2026
* Developed full-stack web applications using the MERN stack.
* Implemented backend APIs, database integration, and responsive user interfaces.
* Collaborated on real-world projects following modern web development practices.

Python Full Stack Developer Intern, EduSkills Virtual Internship
* Worked on Python-based web application development and backend programming.
* Gained hands-on experience in full-stack development concepts and software development workflows.
* Developed problem-solving and debugging skills through project-based learning.

PROJECTS

Quizzle
Full Stack Web Application
* Developed a full-stack quiz platform for interactive learning and assessment.
* Implemented user authentication, score tracking, and quiz management features.
* Designed responsive interfaces and integrated database functionality for efficient data handling.

BlogNest
Blog Management Platform
* Developed a blogging platform enabling users to create, edit, and manage blog posts.
* Implemented CRUD operations and database integration for content management.
* Designed a responsive user interface for an enhanced user experience.

SmartSpend - Expense Tracker with AI [Java]
Personal Finance Management Application
* Developed a Java-based expense tracking application with AI-powered spending insights.
* Implemented features like expense categorization, budget planning, and personalized recommendations.
* Integrated data persistence using MySQL and built a clean, user-friendly interface.

Technology Used: Java, MySQL, HTML, CSS, JavaScript, AI [OpenAI API]

TECHNICAL SKILLS

Programming Languages: Python, C, C++, JavaScript
Web Technologies: HTML, CSS, Tailwind CSS, Express.js, Node.js
Database: MySQL, MongoDB
Programming Concepts: OOPs, Data Structures and Algorithms [DSA]
Development Tools: VS Code
Version Control: Git, GitHub
Soft Skills: Communication, Team Collaboration, Problem Solving, Leadership, Time Management, Adaptability

CERTIFICATES

* Python Essentials 1 - Cisco Networking Academy
* Python Essentials 2 - Cisco Networking Academy
* Introduction to Cybersecurity - Cisco Networking Academy
* Complete Data Science, Machine Learning, Deep Learning & NLP Bootcamp - Udemy

ACHIEVEMENTS

* Solved 400+ problems on LeetCode.
* Participated in EY Techathon 6.0.
* Participated in E-Summit ’25.
